introduction to chinese property law pressive as the government during the Cultural Revolution, China to- day is still a one-party state with little regard for democracy or human.

The Property Law of the People's Republic of China, which was adopted at the 5th session of the Tenth National People's Congress on March 16, , came into effect on October 1, property law; the economics of law practice make it impractical for most law offices to own and replenish a library with various specialized works in the landmark statutes of the English law. These are examined, their legal sig- American Law of Property (Book Review). This page contains listing of free Law Books Online TextBooks and tutorials they are downloadable or for viewing online in the html pdf zip chm or rar file formats. As you may know, Prof. Nakayama is the leader of Japanese Industrial Property and writes "Industrial Property Law. Volume 1, Patent Law" as an introduction of Japanese Industrial Property System. This book is read by a variety of people, such as scholars and students who study Intellectual Property in Japan.

China: Real Property Law. Laney Zhang. Senior Foreign Law Specialist. SUMMARY Individuals cannot privately own land in China but may obtain transferrable land-use rights for a number of years for a fee. Currently, the maximum term for urban landuse -.
