In a lot of ways, An Unexpected Bonding makes a conscious effort to try and take the popularized formula and mix it up in an interesting blend of different familiar things. Introduced at the very start of the book are the faerie, which come off in a very similar way to the fantastical creatures of childhood fairy tales. These immortal beings do Reviews:

An Unexpected Bonding marries the worlds of the fair folk, wolves, and vampires with a little Egyptian decadence and Texas flair thrown in for good measure. The opening of the novel is absolutely wonderful -- the writing evoking a fantastic atmosphere and cluing us in to the beautiful and fraught world of these supernatural creatures/5. Jul 18, · Will the unexpected bonding between wolf and vampire be enough to overcome the centuries of hatred and bring peace and unity to all? Will the wolf and the vampire overcome their own heartaches to accept their bonding and let romance evolve?
