Smoot's book "The Invisible Government," is a great historical record that is informative, disturbing, and well documented. If your're interested in the elitist policies, the history of globalization, and the shadow government behind it all, then, this book is for you!! Random House published The Invisible Government by David Wise & Thomas Ross in , exposing the role the CIA was playing in foreign policy. This included the coups in Guatemala (Operation PBSUCCESS) & Iran (Operation Ajax) & the Bay of Pigs operation/5. THE INVISIBLE GOVERNMENT -- THE INVISIBLE GOVERNMENT THERE ARE two governments in the United States today. One is visible. The other is invisible. The first is the government that citizens read about in their newspapers and children study about in their civics books. If all this were true, American democracy would certainly be in serious trouble, and the alarm professed about the "invisible government" would be justified. But is it true? Strangely enough, the authors themselves provide, ambiguously, a negative answer to this question which is . In other words, through the Area Development activities of the Committee for Economic Development, the invisible government of America—the Council on Foreign Relations—has a hand in the powerful drive for Metropolitan Government. Consider how the power of this invisible government has grown. In the principle global media was owned by 50 corporations, most of them American. In this had fallen to just 9 corporations.
