The Ashford Book of Dyeing is a comprehensive, clearly written introduction to the wonderful world of color - placed on fabric exactly how and where you want it. The text is immediately accessible to the absolute beginner. From an outline of basic principles, the author takes a step-by-step approach describing fabrics, relevant dyes and hecfran-modelismo.coms: 4. The Ashford Book of Dyeing. Author: Ann Miller The Ashford Book of Dyeing is a comprehensive, clearly written introduction to the wonderful world of color - placed on yarn or fabric exactly how- and where you want it. The text is immediately accessible to the absolute beginner. Not a new book, but dyeing never really gets old. The information is solid and the techniques clear. I keep this book in my dye studio and refer to it often. I only use one Ashford color, Hot Pink, but it's still a good book about basic dyeing that should be kept in print with hecfran-modelismo.coms: 4. Ashford Book of Dyeing. By Ann Milner This comprehensive textbook includes detailed explanations of dyes and recipes for their use including natural and chemical dyes, dye baths and cold pad and percentage dyeing. Color theory is explained and six projects demonstrate a range of techniques.
