Blood Secrets is not only about blood spatter analysis and crime scenes, it is about the extraordinary life of Mr. Englert. It is this style of storytelling that keeps the reader engaged and interested in every turn of the page hecfran-modelismo.coms: More of a mystery/thriller as opposed to horror fiction, which it was marketed as, Blood Secrets is about as tautly-paced as they come. It's essentially a murder mystery where the reader is kept in the dark as to who was murdered and why, though we know from the very beginning that narrator Irene is the culprit, and is about to stand trial/5. ?Blood Secrets () ? Craig Jones With a new preface by the author Book Description When Irene Rutledge, a brilliant and beautiful young graduate student, meets the mysterious and fascinating Frank Mattison, the two soon fall in love and marry, despite the warnings of Irene's family and friends. Blood Secrets by Gretta Mulrooney is the second book in her Tyrone Swift series. Ty is asked to investigate a cold case from fifteen years earlier in which a teenager was so severely beaten that he remains little more than a breathing body/5. With Blood Secrets, Holmes has upped the ante in comparison to Blood Law and, (without wanting to share too much information on this new release), it suffices to say that the blood, gore, violence and intellectual brutality reaches a whole new level which may leave some of Jeannie's more sensitive readers questioning his or her ability to Reviews: Blood Secrets reveals how forensic experts read the story of a murder told in the traces of blood left behind, providing crucial evidence that has helped convict criminals who might have otherwise walked free/5(5).
