How to Hook Up on Tinder On this new dating app, everyone's looking for no-strings sex. But you can still screw things up, unless you follow these 8 tips.

That goes to show how quick and easy it can be to get a girl's number, and get a date or Tinder hookup lined up. Four messages is not out of the ordinary. But there's no need to race, anywhere from messages will be fine. Conclusion. A Tinder match means you're both attracted to each other and you're both (kind of) interested in meeting up. 0; If you're a single guy and not living under a rock, then you've probably heard of the dating or rather hook up app called Tinder. Tinder is basically an application that lets you like or dislike profiles of people by swiping right for like or left for nope. So you want to hook up like now. Tonight. On demand. No strings attached. The good news is that you're using the right app for that (Tinder).

If you want to Hookup on Tinder with me, you're going to need to stand up. My profile: Born in London, raised in CT. I like books. And no, I don't have an accent. It's short and to the point. But it shows something about me (and makes for a great tinder conversation starter). There are a few guys, which I will never swipe right for. Rule #3: When it comes to closing the Tinder Hook Up, you should have your closing skills on point (the better they are, the fewer matches you need to slay on Tinder) If you really want to learn the art of the Tinder HookUp topic, [CLICK HERE](#) to check out these resources I went out 4 nights a week and took girls home within minutes of meeting them.

The guys that use a network of rehearsed pick-up lines The guys that small talk from the word go There can be problems with both of these. If you come off too direct then you can scare off the girl (also if they're not impressed by pick-up lines) but if you don't show intent and interest from.

Tinder Hookup, sex on the first night, ready for some tips and date strategy for taking the girl home on the first night, no strings attached is up to you.
