Kathleen Fan is a consultant in oral and maxillofacial surgery at King's College Hospital. Professor Mark McGurk is the chair of oral and maxillofacial surgery at Guy's Hospital. Read more
Reviews: 1. On-call in Oral and Maxillofacial Surgery is a new book aimed particularly at junior trainees within oral and maxillofacial surgery. Excellent for both singly qualified medics and dentists, it provides essential guidance not just for newly qualified practitioners but also for well-established professionals. Oral and maxillofacial surgeons are unique among dental specialists in a number of ways. After completing four years of dental school, they go on to spend another four years in a hospital-based residency program for surgery. Karl F. B. Payne works as a clinical fellow in oral and maxillofacial surgery at King's College Hospital in London. He founded the online, open-access trainee journal Face Mouth & Jaw Surgery. Alexander M. C. Goodson works as a clinical fellow at King's College Hospital. On-call in Oral and Maxillofacial Surgery is aimed at junior trainees working in Oral and Maxillofacial Surgery. This book is written as a survival guide, covering common presentations in the emergency, ward and clinic setting, with detailed descriptions of simple surgical procedures. The OMFS on-call duties include management of facial trauma patients alternating full coverage of these patients every third week with the plastic surgery and ENT services. It also includes management of inpatient consults, post-operative care and other oral and maxillofacial emergencies. Description: On-call in Oral and Maxillofacial Surgery is aimed at junior trainees working in Oral and Maxillofacial Surgery. This book is written as a 'survival guide', covering common presentations in the emergency, ward and clinic setting, with detailed descriptions of simple surgical procedures.
