The early history of Sydney was grimly dominated by its existence as a British penal colony. Convicts, dumped on this alien shore, found the environment a harsh one. Convicts, dumped on this alien shore, found the environment a harsh one. Today, Sydney is seen as many things: an earthly paradise surrounding the most beautiful harbor in the world; a great seaport, the site of one of the world's most beautiful buildings, the Sydney Opera House; or a sprawling suburb. This book summarizes the history of the city and its neighborhoods, focussing on the architects, their architecture and the sociocultural climate in which they worked. Among the featured architects are Francis Greenway, Mortimer Lewis, Edward Blore, John Sulman, Walter Burley Griffin, Harry Seidler, Jorn Utzon, Glenn Murcutt and Renzo Piano.

The text traces the development of the city through its architecture and urban planning, starting from the first few European settlers through to the year and its four million inhabitants. The city's history is summarized and its architecture and sociocultural climate analyzed/5(1).
